**Subject:** PRESS RELEASE 10/30/15 - New Traffic Signal at Alameda St and Findlay Ave

## **PRESS RELEASE**

**City of Norman**  
**201 West Gray**  
**Norman, Oklahoma 73069**

For Immediate Release: October 30, 2015

Contact: Mike Rayburn, Capital Projects Engineer, 217-7713, [mike.rayburn@normanok.gov](mailto:mike.rayburn@normanok.gov);  
David Riesland, Traffic Engineer, 329-0528, [david.riesland@normanok.gov](mailto:david.riesland@normanok.gov)

### **New Traffic Signal at Alameda Street and Findlay Avenue**

On Tuesday, November 3, 2015, the City of Norman will activate the new traffic signal at the intersection of Alameda Street and Findlay Avenue, weather permitting. After 9 a.m., the intersection may be controlled by all-way STOP control as the contractor works in the intersection turning vehicular traffic signal heads to line up appropriately with the traffic lanes.

This project is administered by the Oklahoma Department of Transportation. When the project is completed, the City of Norman will operate and maintain the new traffic signal.

For questions about the construction project, contact Mike Rayburn, Capital Projects Engineer, at 217-7713 or [mike.rayburn@normanok.gov](mailto:mike.rayburn@normanok.gov). For questions specific to traffic signal operation, contact David Riesland, Traffic Engineer, at 329-0528 or [david.riesland@normanok.gov](mailto:david.riesland@normanok.gov).
